UNIVERSITY LIBRARY SYSTEM FOR SAHA PROJECT'S RESEARCHERS

FRIDAY, MAY 13th

University of Pavia

Classroom DOS - Department of Economics (Palazzo San Felice)

PRESENTED BY

University Working Group for Reference and Information Literacy Activities

COORDINATED BY

DOTT.SSA LORENZA MORISI

WORKSHOP PLAN

PART 1

Starting time at 11:00 a.m.

DOTT.SSA ERICA MARIA RINALDI

Subject specialist librarian

Member of the University Working Group for Reference and Information Literacy activities, Erica Maria Rinaldi is an expert librarian in bibliographic research processes relating to Humanities Sciences, but also active in various other disciplinary sectors, such as that of medicine.

Her daily work is based on the basic principle of social librarianship, aimed at bringing the user to the center of the library's activities, supporting him in every level of knowledge of the library and bibliographic research tools.

11:00 A.M.

ACADEMIC SOURCES

In this first section EM Rinaldi will accompany you in the knowledge of the bibliographic resources that the Library System of the University of Pavia makes available to you: online resources such as databases, Link Up, Proxybib and will describe all their potential for use.

MULTIDISCIPLINARY DATABASES

Our University offers numerous multidisciplinary resources, including PerLego, Web of Science, Journal of Citation Reports and Scopus, which offer access to thousands of bibliographic and full text sources.

MEDICAL DATABASES

The last frontal session will focus on the presentation of the main medical databases: Nursing Reference Center Plus, Chinal Complete, Access Medicine, Anatomy.tv/Primal Pictures, PubMed and all the resources available through the Ebsco platform.

1:30 P.M.

TRAINING SESSION

WORKSHOP PLAN

PART 2

Starting time at 3:00 p.m.

DOTT.SSA DONATELLA BARZAGHI

Subject specialist librarian

Member of the University Working Group for Reference and Information Literacy activities, Donatella Barzaghi is an expert librarian in bibliographic research processes relating to Political Sciences and International Relations, with openings to the economics and jurisprudence sectors. She also facilitates access to collections and services by cataloging and promoting institutional activities.

3:00 P.M.

ECONOMICS DATABASES

During the first afternoon session, four economic databases and all possible research strategies will be presented: EconLit, LexisNexis, Emerald Premier and Springer Link. In addition to the specialized databases, Donatella Barzaghi will present all the potential of Google Scholar.

WRITING A RESEARCH PAPER

A brief excursion into the scientific publishing cycle, starting from the construction phases of a scientific work to the drafting of the abstract, passing through predatory journals to reach transformative agreements.

5:30 P.M.
